Today

- Introductions
- CS1800 Q & A
- **Shortest discrete math intro ever**

Discrete Math Intro

What does a computer need to be able to do?

What tools does it have to do all that?

What can we do with these tools?

A
A
B
A
B

That’s it for today!

(First recitation next week. PS1 due 9/18.)

(Come up & say hello before you leave, and/or show me pics of your pets :)
