

CS 2500, Spring 2012
Course Contract

I _____, hereby acknowledge
your name here
that I have read the [general announcements](#) from the course's web pages and agree to

1. read the required text book every day according to the reading schedule;
2. work through at least one exercise per day from the relevant sections;
3. look at the course blog once a day no matter where I am;
4. see my professor within 24 hours after I have failed a quiz;
5. meet with my pair-programming partner on the agreed-upon basis;
6. notify my lab instructor immediately if my current partner drops.

In return, I have the right to see one of my instructor within 24 (48 on weekends) hours via an email appointment so that I can ask questions and discuss the material.
